

FREE PARENT GUIDE

10 Questions AAE's
Faculty Can Answer at Our
Parent Teacher
Conferences

1.) Is my child a visual, auditory, or kinesthetic learner?

2.) How is my child's daily working memory? Can he/she retrieve items from long term memory to build onto new concepts?

A series of black paw prints of varying sizes and orientations are arranged in a diagonal line across the top of the image, starting from the top left and moving towards the top right.

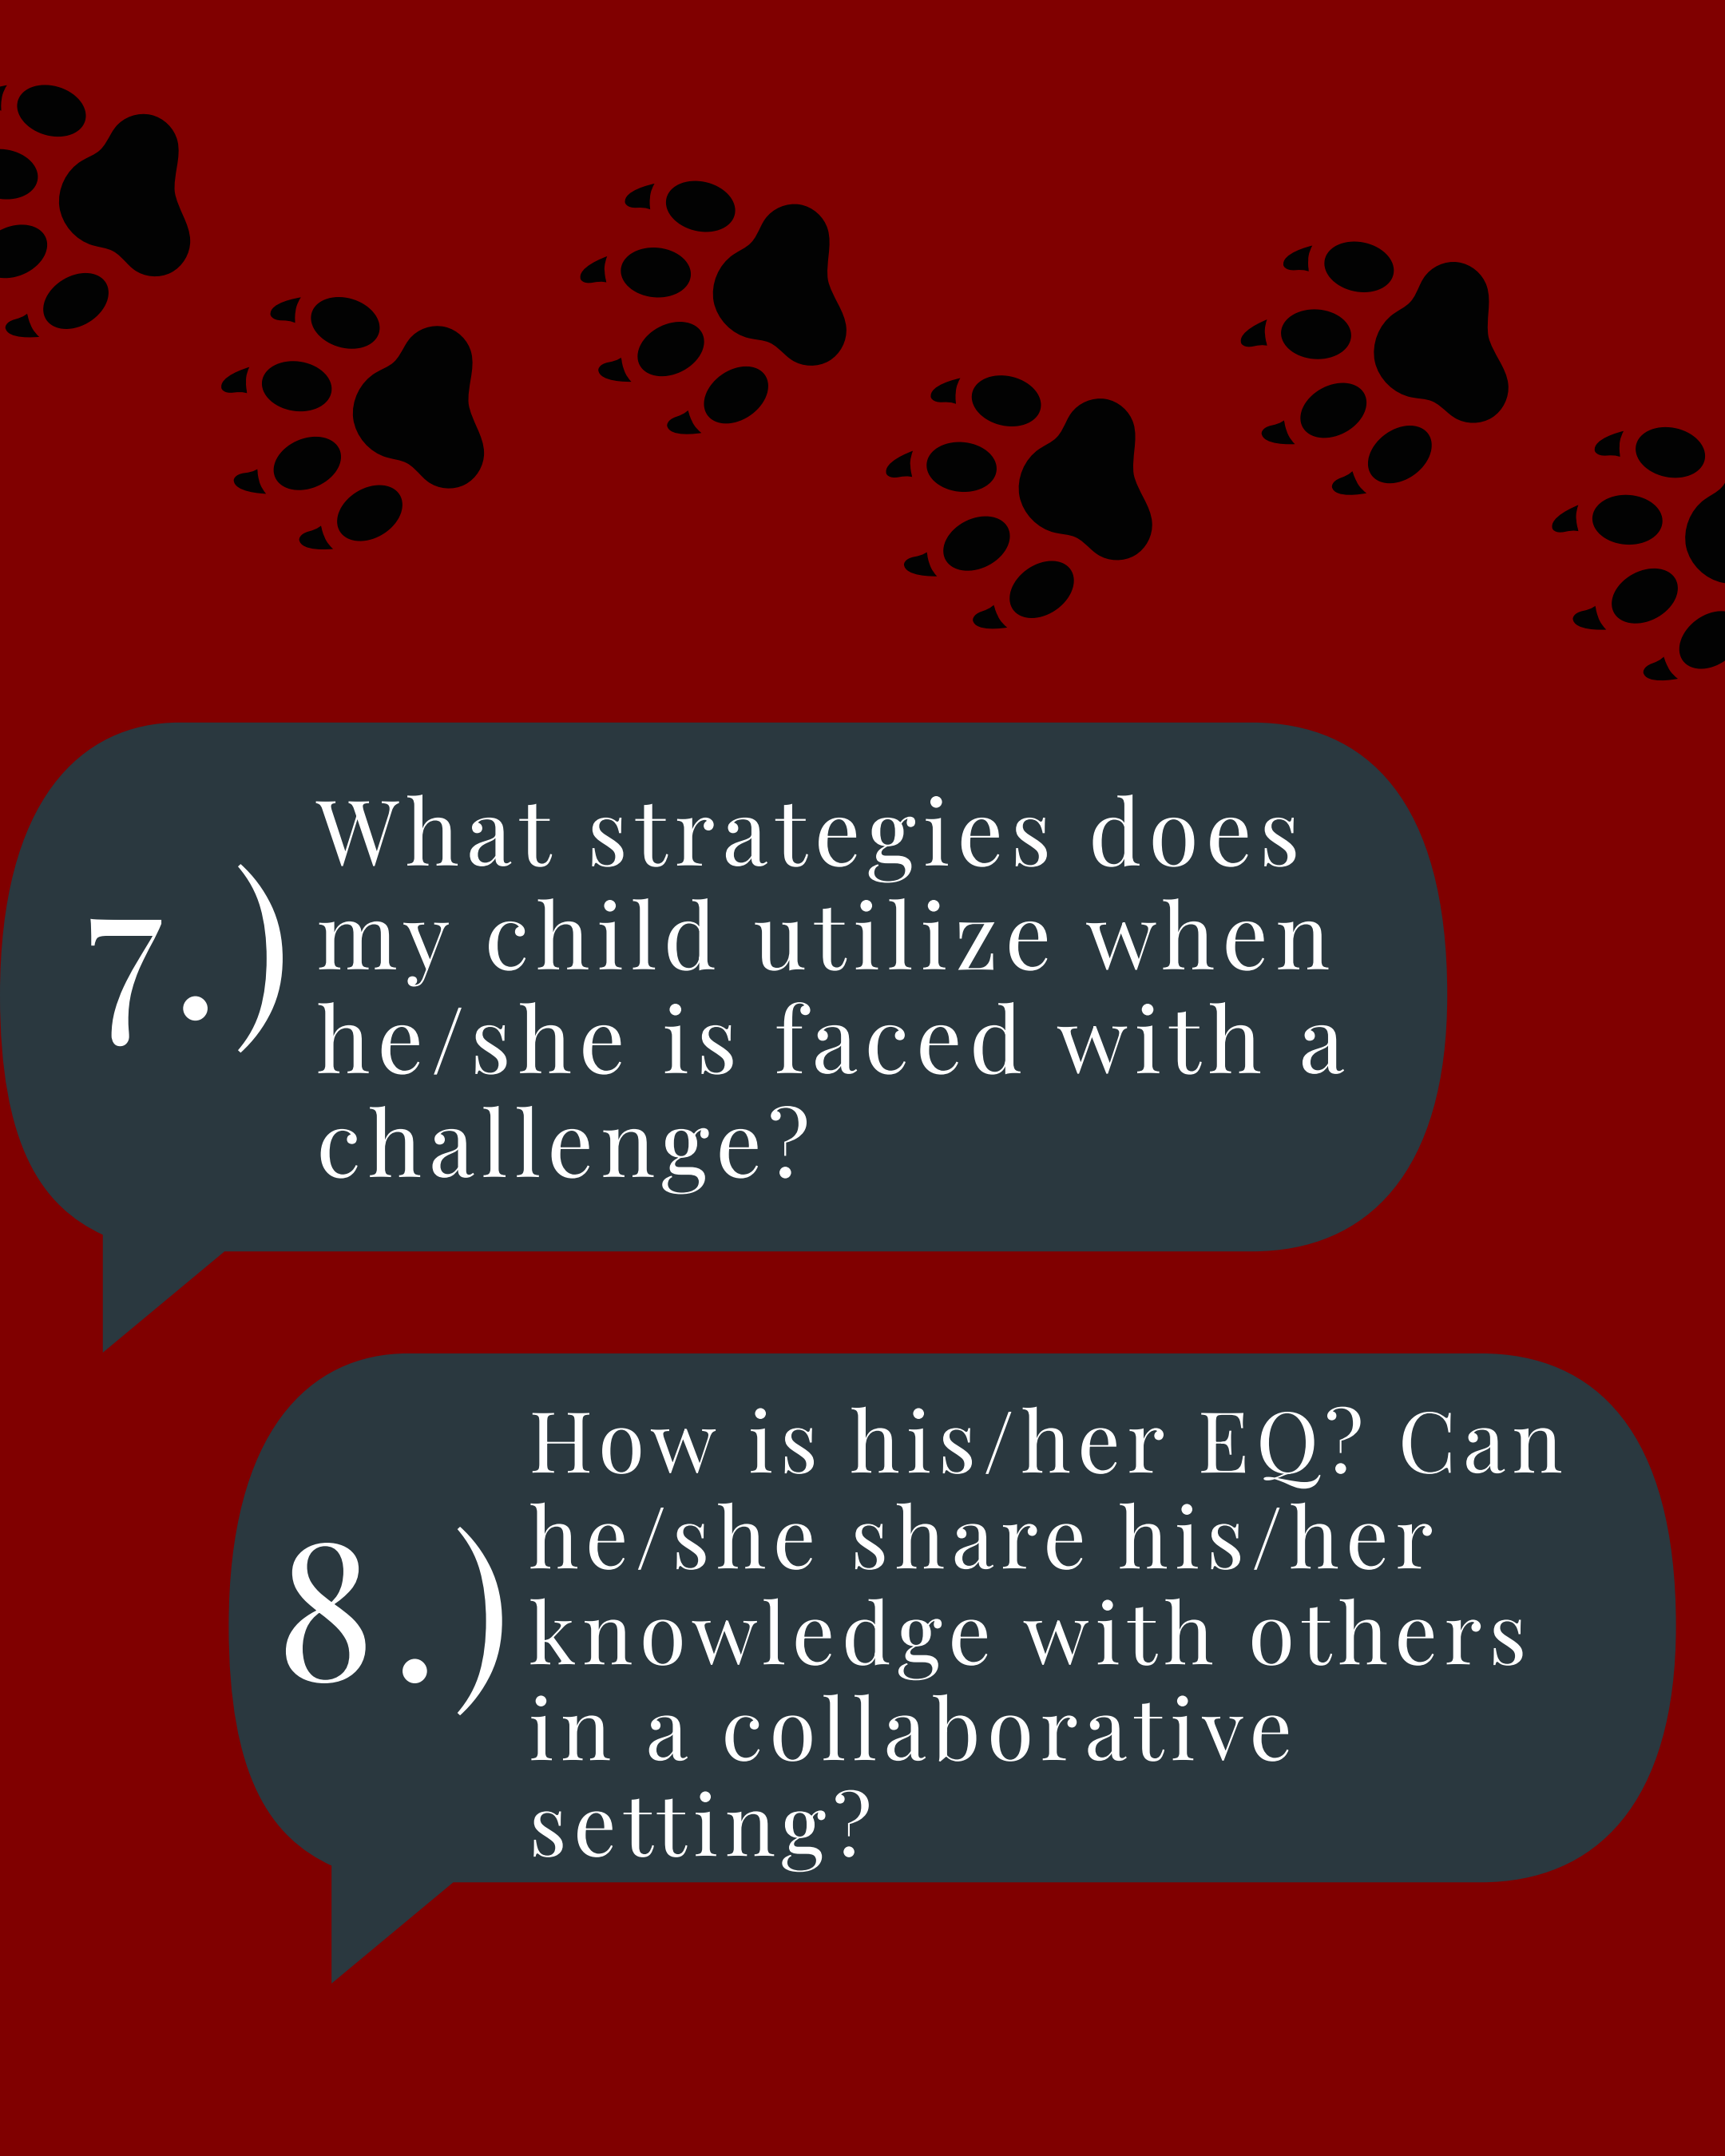

3.) What comes easier for
my child: linguistics
or quantitative
reasoning?

4.) Does my child work
best when he/she is in
small groups or
working individually?

5.) What type of standardized testing is done, and how does he/she compare nationally, statewide, countywide, and at the Academy of Academic Excellence?

6.) Can he/she connect a reading passage to reference it to his/her life?

7.) What strategies does my child utilize when he/she is faced with a challenge?

8.) How is his/her EQ? Can he/she share his/her knowledge with others in a collaborative setting?

A series of black paw prints of varying sizes and orientations are arranged in a diagonal line across the top of the image, starting from the top left and moving towards the top right.

9.) Is he/she happy, does he/she make many friends, or does he/she prefer one or two close friends?

10.) Is there any talent my child can teach others?

- ① Is my child a visual, auditory, or kinesthetic learner?
- ② How is my child's daily working memory? Can he/she retrieve items from long term memory to build onto new concepts?
- ③ What comes easier for my child: linguistics or quantitative reasoning?
- ④ Does my child work best when he/she is in small groups or working individually?
- ⑤ What type of standardized testing is done, and how does he/she compare nationally, statewide, countywide, and at the Academy of Academic Excellence?
- ⑥ Can he/she connect a reading passage to reference it to his/her life?
- ⑦ What strategies does my child utilize when he/she is faced with a challenge?
- ⑧ How is his/her EQ? Can he/she share his/her knowledge with others in a collaborative setting?
- ⑨ Is he/she happy, does he/she make many friends, or does he/she prefer one or two close friends?
- ⑩ Is there any talent my child can teach others?
